

Materials :-

Refer to Cordek technical data sheets for full detailed material specification

A. Cordek Radon Membrane
 B. Cordek Gas Resistant DPC
 C. VCL / Floor finishes by others
 D. DPC by others

Notes :-

- This detail is issued for guidance purposes only, with final approval required from the designer
- Do not scale from drawing, use dimensions provided
- All laps and junctions must be fully sealed with appropriate welding techniques or jointing system
- The intended construction sequence should be considered prior to selection of the appropriate Cordek standard detail to ensure that installation is practical and achievable
- In accordance with BS8102:2009, should hydrostatic water pressure be a risk, additional waterproofing methods should be considered
